Ever since 1936 ECMS has been a prominent torch-bearer of education at Rajasthan. It has always carried forward the legacy of education and the youngest successor of ECMS is MPS International.

One can unravel its glory by just having a look at it and be enraptured.

MPS International proclaims a top-notch and culminating gazebo with an idealistic grandiose, a new cognizance and an ambitious trapeze to the epitome of savvy with excellence. Students are unfolded to their own selves which already lies half asleep in the dawning of their knowledge.

The pillars of mps are based on the firm obelisk of ethos and apropos moralistic values which are inculcated among the students with benchmarks of prodigious and ponderous score in academics.

"A power to call the quits..take a few risks..persist over a few imbroglios with an ameliorate perspicacity to follow my own content. A pursue for vision..a pursuit for bliss..with a deep anticipation -

What if my mind believes in the destiny and;

My heart believes in diamonds.."

Though MPS International is an emerging school, building up brick by brick, yet, it has marked a niche by surpassing various renowned institutions and setting a milestone by being rated no. 9 out of 750 schools all over India. At MPS International, a child's overall development is highly heeded; students are promoted in every way possible to ace in academics along with those extra-curricular skills which are a significant part of their personality.

**The journey from no. 9 to no. 1
is still to be experienced and
one thing is definite that
it's going to be a thrilling one.**

So tighten your seat belts everyone because we are setting sail.

VASUNDHARA RAJE
Chief Minister Rajasthan

It is good to know that the MPS International School, Jaipur is bringing out the IV edition of its Annual Magazine 'Renaissance'

School Magazines provide a platform for the students to present their talent. Such publication also carry valuable information about the achievements and progress of the institute.

I wish the publication the very best.

Adage of The Sage

"Education is the most powerful weapon
which you can use to change the world"
Nelson Mandela

Education is Self Empowerment. Receiving a good education helps empower you, thus making you strong enough to look after yourself in any given situation. It keeps you aware of your given surrounding as well as the rules and regulations of the society you're living in. It's only through knowledge that you can be able to question authority for its negligence or discrepancies. It is only then that you can avail your rights as a citizen and seek improvement in the structural functioning of governance and economy.

It's only when a citizen is aware about the policies of its government can he be able to support or protest the change. As a whole, people can bring about development only when they know where improvement is necessary for the greater good of mankind. Education helps you understand yourself better, it helps you realize your potential and qualities as a human being. It helps you to tap into latent talent, so that you may be able to sharpen your skills.

The ECMS focuses on providing all round development and healthy education to the budding vernal. It's glad to benedict the school magazine 'Renaissance' which is the mirror of the almatamater.

God bless you all.

Satya Narayan Kabra

SATYA NARAYAN KABRA

Adage of The Sage

"Success is not failure; failure is not fatal;
it is the courage to continue that counts"

The ingratiating victory is the one that's most difficult. The one that requires you to reach down deep inside, to fight with everything you've got, to be willing to leave everything out there on the battlefield-without knowing, until that do-or-die moment, if your heroic effort will be enough. Society doesn't reward defeat, and you won't find many failures documented in history books.

One should develop an 'I can do it' attitude among himself so that he don't have to chase the success, success will follow them

Once you are focused towards your goal, there is no power on this earth that can stop you from achieving it.

My children, you can take pinnacular examples to prove this fact but the day when you will be counted in those example will be the day when this fact will be actually proven. There are many hurdles in the way to success but the person who is devoted, disciplined and dedicated can easily overcome these hurdles to achieve his target.

Some people dream of success, while other people get up every morning and make it happen.

GHANSHYAM DAS MUNDHRA
Vice Chairman

Adage of The Sage

"Every great dream begins with a dreamer. Always remember,
you have within you the strength, the patience, and the passion
to reach for the stars to change the world."

Dreaming is one of the euphonious things ever, we always aspire about things we love and hope. Each one of us has aims in life pertaining to career, family, affluence et cetera. The verisimilitude of the matter is that the accomplishment is not always on our side. Even while striving to reach ace in order to make our desideratum come true, we sometimes don't actualize it.

The most preeminent thing is to fight; this is the most apparent proof that we have tried our hardest to obtain what we long for. First of all, never take to heart when others say we should give up, because no one else can restraint our freedom and liberty. Pugnacity is the most substantial effort till the consummation of your objective; show others around that we have goals, aspirations, ardor and dreams no matter what they say.

Dream big, never give up – the most far-reaching thing you can do for yourself. Never lose focus on what you aim for in life, the idea is to never build barriers in your heart and do everything with passion, determination and emotion. People who show hardihood against the wind always have a chance to augment because they prefer the risk and ameliorate experiences.

When you have a dream that you can't let go of, trust your instincts and pursue it. But remember: Real dreams take work, they take patience, and sometimes they require you to dig down very deep. Be sure you're willing to do that.

MADHU SUDAN BIHANI
General Secretary, Education

FROM THE SECRETARY DESK

Learn to enjoy every minute of your life. Be happy now. Don't wait for something outside of yourself to make you happy in the future. Think how really precious is the time you have to spend, whether it's at work or with your family. Every minute should be enjoyed and savored.

Time is something that you can lose and never get back. People are always wishing they had more hours available in the day. The solution to this common problem is easier than one might realize. With a few minor adjustments in how you utilize your time you can change how you manage your time. Proper time management is something that can change your life on a fundamental basis for the better.

Developing skills to effectively manage your time will bring forth improvements to your life on a dramatic scale. You must be accepting to make fundamental changes. Chances for failure increase when you take on more than you can handle or when you take on too much at one time. Developing time management skills will also help you get to know yourself a little better.

Begin by focusing on the things you want to achieve. Pick something big and something small. After you have decided on what those things are, take steps to formulate a plan that can set you on a path to achieving these things. Completing one step towards each goal is an excellent start. By going at your own pace, you begin to plan and manage your time much more effectively. Planning is the key to mapping out the direction in which you should head.

My dear students, Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek. Stay blessed

RADHA MOHAN KACHOLIYA
Honorary Secretary

FROM THE PRINCIPAL'S DESK

"Faith is letting yourself pulled up into the aeon to come first and then driving it through the most caliginous streets thriving out the shades of absolute sanguine efficacy.

There's a reason we refer to "leaps of faith" - because the decision to consent to any notion of life is a mighty jump from the rational over to the unknowable, and I don't care how diligently scholars of every sphere have concluded. Faith is promenading in the steps-first. If we truly knew the answers to the myriad hopes, to the numerous hidden nitty-gritty of lives, to the infinite imbroglios which the world swing up in advance then the destiny of our souls, our belief would not be a leap of faith and it would not be a courageous act of humanity; It would be a state of complete oblivion and cognitive delusion...!!

Life never reveals itself with an elucidation. Neither it's a game of rebuttal nor it's a quest of submission. Instead it's a voyage, a junket to unravel the mundane humdrums and yearning for absolute success with tranquility and love. It never demands any justification, it's not going with the stride, Instead it's taking it in the strides of our indomitable endurance.

The phase of student is filled in with consummate urbanity, with utopian dreams, with the profusion of imaginations which make it the most memorable memoir of life....but there are trepidations..some gazing fears deep inside the heart of a child.

The answers to all your doubts..your fears..of all your agitation and fright is FAITH..Infallible indeed..which forms the firm stanchion onto where our lives stand and we breathe with absolute calmness...!!

'Renaissance' stands as the testimony to the exuberance of the rhapsodic vernal....

Heartiest congratulations to all the enthusiastic readers for thumping year filled in with new moments of blithe...!!

You Can Be Whatever You Want To Be!

by Donna Levin

There is inside you
All of the potential
To be whatever you want to be;
All of the energy
To do whatever you want to do.
Imagine yourself as you would like to be,
Doing what you want to do,
And each day, take one step
Towards your dream.

SAROJ JOSHI

Ever since the genesis of eternity, mankind has converged intensely on its success. Our forefathers worked hard in a competitive environment to survive their daily struggles. They faced all the hardships dauntingly and thus crafted a world so appropriate for living. Had they given up then, it would not be this planet we'd be living on. They faced all the hurdles cheerfully, and lived their journey successfully.

Here at MPS International we make sure that academics and co-curricular activities go hand in hand so that a student can live his fair share of successful journey. MPS International has a history of inculcating values and morals in a student's process of learning, so that he does not lose on any front in the journey of life. ECMS provides a nurturing environment for the constructive building of a student's mind and gives him a chance of being innovative and intuitive.

Children today are the future of India and ECMS makes sure that this future is crafted with precision and delicacy so that our tomorrow is not in jeopardy. MPS International not only has an elite history of discipline and decorum, but also has the required hunger to change with time and space which makes it "THE BEST" in the sphere.

My best wishes to everyone.

MONICA BENGANI
INCHARGE PRIMARY

"Hard work does not necessarily guarantee success but no success is possible without hard work"

Any job done wholeheartedly definitely yields satisfactory results. Keeping these things in mind, we all should decide our great duties as our goal. Partial devotion and complaint attitude will never give success. A person should have exuberant spirit and a firm conception in himself. Certain circumstances might compel us to withdraw but that's the movement where we are required to exhibit unshakable determined ardor.

Difficulties and hurdles will always come our way. They are an integral part of our lives. We can't gain anything without suffering any pain. It's unavoidable part of the life. The things which matter are how we cope up with these problems. If we have the confidence and enthusiasm we can overcome any obstacle. The ingredients like commitment, enthusiasm, determination and hard work make the dish of success.

MPS INTERNATIONAL, one of the most prestigious institutions of Jaipur, believes in exhibiting the best quality education and all round development. A child is prepared in every possible way to withstand the intense competition in the outside world. Highly proficient teachers with their vast experience of knowledge teach students in a realistic and practical way.

"Arrive, Awake and Rest not till your goal is achieved".

JOURNEY OF THE EDUCATION COMMITTEE OF MAHESHWARI SAMAJ (SOCIETY), JAIPUR

“**DEVOTION**
to duty is the highest form of
worship to God.”

The Education Committee of Maheshwari Samaj is a unique amalgamation of traditional values & contemporary pedagogy. Established in the year 1936, today it is running eight institutions under its aegis in Jaipur, each institution having its unique features. The ECMS lays immense emphasis on nurturing core values of compassion, discipline, perseverance and aims at offering a platform for quality education & professional development among its students such that they become life long learners, independent thinkers & responsible citizens of the country. Children are the architect of future. Around 20000 students are being moulded into perfect individuals and able citizens of the country. This glorious task is executed by around 750 staff members, who are at the helm steering the ship of the pupil's destiny towards a commendable zenith. The school buildings are specially designed & are sheer architectural beauties. Our sports & games infrastructure is the most modern & perhaps the best in the state. Our classrooms are equipped with smart boards to make classroom teaching more interesting & engaging. It stimulates the students to visually capture the more abstract concepts into concrete.

Expert career guidance & counseling is provided to all our students through career & Counseling Fairs. The ECMS has a Magnanimous approach towards the students who are needy & from the poor sections of society. The ECMS also sponsors scholarships to the students who excel in Academics. All eight institutions under the ECMS are parts of the small family & follow common syllabus & centralized examination pattern. We also have combined celebrations for the important days & events such as the Republic Day, Independence Day, Teachers's Day at a common venue. Even the Sports week & career Fair are Organised with combined efforts & participation of all the institutions under the ECMS, our institutions impart education that is based on Conscience & we rear a breed of young minds that are bristling with confidence, motivation & ever ready to take up challenges.

SAVOIR FAIRE- An act of triumphant victories....!!

"The recherche spirits of mine had a dream of the ecstasy of life, Credulous and Innocent I had gone deep in the midst of the abhorrent machinations of thy; Spirits that had flown in the midst of misty winds..and then pulled the selves out, The days indeed so deep that hardly I realized the substantial alibi of my life; Moonstruck I gazed at the stardust. And one fine day the light of transcendence showered on my passions...!!

With mysagacity and ingenuity I carved a niche for my own-selves,

The gracious flamboyance of the wisdom nuggets and the ingenuous originality were there in the fathomlessly depth heart of mine...!!"

The world is a state of absolute oblivion with the shades of the ignominious fears most of which embolden during the stages of the student's life with the most plausible reasons that most of perspectives and perceptions are adapted thereto! A tendency continual abrupt defiant personality evoke up. The rhapsody of the tender brains may not get lost in the roads that lead to the murk..

The breezes of absolute gaiety are flowing exploring the galore of sagacious intellects. The divine space has its own protocol of wits and wisdom, the nuggets of canny being the most apropos to build up the sinewy personalities!! Hurdles are a part of life. Sometimes they are a big part, and sometimes not, but either way, it's a part of the big puzzle, the deep music, the great game of rebuttals and denials. They teach you, tell you that you're alive. Then they are surpassed by your efforts and leave you changed. They leave you at fork of choices and paths; the paths that altogether design a new definition of your eternal resurrection and exuberance.

The life is a pleasure, so rejuvenate the bonds with the spellbound and charismatic semblance of your wisdom and a decision that sometimes defy the rules of absolute mundane logic, taking you to the other domain of the world. Students' life is not dualities of war about complexes, instead it is just a voyage; not a promenade of expedient moves, instead its deciphering to the nitty-gritty of life and putting in the savvy, creativity, exquisite astute by not pulling down others but moving a wayward higher !!

This edition of Renaissance brings forth your creativity and inert talent and the events and achievements of your institution. Relish the reminiscences of these moments and stay blessed.

The achievements of an organization are the results of the combined efforts of each individual

Another successful year of school has rolled by. The journey of the school in the last few years has been smooth and steady. The school has grown both in strength and stature over the years. The tender sapling planted a few years back is firmly rooted now in the garden of ECMS and its blooming fragrant flowers and swinging branches are reaching for the skies.

We have been on our toes the whole year round to cater to the physical, intellectual, social, emotional and aesthetic needs of the children entrusted to our care. We feel privileged to present the Annual Report of the school highlighting the activities and achievements of this year.

The school has made significant strides leaving no field untouched, be it academics, sports or co-curricular activities.

ACADEMIC ACHIEVEMENTS

Keeping in view the constantly growing strength of the school more sections are added in each class from grade 1 to grade 11 and new teaching faculty has been recruited to meet the demand for the increased strength of the school.

Our Board results have proved it. Our students came through the Board exams for the session 2016-17 with flying

colours.

The culmination of our dreams and implementation of our plans can be seen in the introduction of the Science, Commerce and Humanities in class 11 giving the students an opportunity to choose the career of their choice as per their intrinsic potential.

"Gaining command over the language is not difficult if one is determined". Jahnvi Bambani of class II and Jiyana Jethani of class VIII have proved it by securing the Gold Medals for excelling in the Zonal level of the International English Olympiad.

Students gain confidence in public speaking by debating logically in various inter house and inter school competitions. The impressive orator of the school, Ansh Katiyar of class X has glorified the name of the school by securing third position in Inter-school Debate competition held at MGPS.

We take pride in stating that out of 128 students **23 students secured 10 CGPA, 52 students secured 9-9.8 cgpa, 15 students secured 7-7.8 cgpa and only one student secured 6-6.8cgpa.** It gives us immense pleasure to state that we have achieved 100% Board result.

Genius Advika Manth of class III -C and Hardik Maheshwari of class IV-F showed their wisdom and presence of mind and bagged the first prize in the Interschool Quiz Competition held at MPS, Pratap Nagar.

We strongly believe that Mathematics, Science, English and other Olympiads help students in preparing for competitive examinations. We take pride in announcing that our student **Vaibhav Biyani won the Zonal Silver Medal, nine students won Gold, six students won Silver and six students won Bronze Medals in the General Knowledge Olympiad** held at MPS International.

Siddharth Agrawal of class IX won the first prize in Geeta Shlok Recitation Competition organised by Akshay Patra Foundation.

Ashmit Maheshwari expressed his knowledge about the teachings of Bhagwad Geeta by answering the questions confidently and winning the first prize for the Geeta Gyan Pratiyogita held at MPS International.

Literacy unlocks the door to learning throughout life and opens the way for democratic participation for everyone and everywhere. Conveying this message our tender but talented children Manasvi Kacholiya and Shivansh Talwar penned down attractive slogans and designed attractive posters and won a Trophy, Cash Prizes and Certificates for Slogan Writing and Poster making Competitions organised by Rajasthan Merchant Navy Association and Rotary Club in the memory of Lt. Adhiraj Singh.

The budding poet who enthralled the audience with his poetic talent, Harsh Sharma bagged the second prize in the Interschool Kavita Path Competition held at Geeta Bajaj School.

Our sports stars Naman Kotwaliya of class VIII, Jayesh Kotwaliya of class VII, Himanshu Sharma of class IX and Kaustubh Sharma of class VI brought laurels to the school by being the proud recipients of the silver medal in the Interschool Badminton Tournament held at Jankidevi Public School.

The brilliant scholar Harsh Sharma of class IX won the third prize in Paper Reading Competition organised by Rose International Society and held at Mahaveer Public School.

Paridhi Yadav of class V exhibited her commendable sense of humour and made the audience burst with laughter with her humorous Hasya Kavita in the Interschool Hasya Kavita Path Competition held at Janki Devi Public School.

ACHIEVEMENTS IN GAMES AND SPORTS

No stone is left unturned to provide the best possible facilities and expert coaching to our budding players of different games. It gives us immense delight to announce that the champions of the school Faizan Khan of class XI and Jayesh Kumawat of class X added another feather in the glorious cap of the school by winning the gold medal in the Inter school carom competition held at Neerja Modi school.

Very little but iron-willed Kanika Malinda and Yashika Malinda won the gold and silver medals respectively for the district level Karate Championship organized by Sardar Patel School, Mansarovar.

Our sports -stars won the bronze medal for CBSE Cluster XIV Kho-kho Tournament Under-17 organized by Oxford International Academy.

Arav Jain brought laurels to school by winning a gold medal and Black-Belt at the 8th IMAS District Level Karate Championship-2017 organized by Indian Martial Art Sansthan.

The Taekwondo champions Jatin Sharma and Lovish Sharma exhibited their prowess by winning the second prize in the CBSE Interschool Sports and Games Competitions held at Great Man School Sagar District.

Our Taekwondo champions added more feathers to the glorious cap of the school by winning seven gold, eight silver, 8 bronze medals and MCS Cup 2017 in the Interschool Taekwondo Championship organized by Malviya Convent School.

Another champion Master Jaivardhan Maheshwari of class IV won two gold, and one bronze medal in Shorin-RYU National Karate Championship held at Daman.

We have unmatched sporting talent which is the outcome of the expert coaching and facilities provided to the young sportsmen of the school. Regular physical exercise and regular practice for various games and sports are intrinsic characteristics of the school curriculum. It gives us immense pleasure to announce that our students have brought laurels at the district, state, and national levels in various games and sports.

Naman Kotwaliya made us proud by winning the Gold Medal in the Jaipur Open School Badminton Tournament-2017 in the Under-17 category.

Pradhuman Mishra glorified the name of the school by being the proud recipient of a Gold Medal in the National Muthai Championship held at Dehradun.

Our students grab each opportunity to showcase their skills and talents. Jaipur Sahodaya Festival, 2017-18 was held at Kapil Gyanpeeth, Rukmani Birla and SV Public School wherein Sukhveer Arora, Atulit Kaushik, Radhika Arhani, Devank Sharma, Vinayak Khaitan, Garv Koolwal and Devraj Solanki displayed their zeal and bagged Silver and Bronze Medals in different sports activities.

Last but not the least the school's budding champion Jaiwardhan Maheshwari added a jewel to the crown of the school by winning a Bronze Medal in the 17th International SKA Karate Championship, 2018 held in Sri Lanka.

ACHIEVEMENTS IN EXTRA CURRICULAR ACTIVITIES

The blooming buds and the talented performers of the school Jahanvi Bhambani, Khushi Bagadiya, Aradhya Dadhich of II made us proud by bagging the third prize in Interschool Ad Mad Show Competition held at MPS Jawahar Nagar.

Highly talented artist Hemant Sharma of class X won the second prize in the National Level Painting Competition organized by the Camlin.

Vaibhav Agrawal of class VII turned waste into gold by creating exquisite item of utility and beauty in Interschool Best Out Of Waste Competition held at MHS. He brought laurels to school by securing the first prize.

Priyanshi Gupta the possessor of artistic skills bagged the second position in the Interschool Rangoli Competition held at Geeta Bajaj School.

The talented stage performers Khushbu Jain of class XI, Ansh Katiyar, Nikita Dangi, Akshat Jain and Shivam Sharma of class X mesmerized the audience with their dramatic skills and bagged the second position in the Interschool Nukkad Natak Competition organised by Cambridge Court School.

STAFF ORIENTATION PROGRAMME

To enlighten and empower our teaching faculty we make all efforts to train and prune our teachers. We encourage our teachers to participate in various training programmes and often the teachers to attend workshops, seminars in their respective subjects, organized by the CBSE, other schools and institutions.

STATE-OF-THE-ART INFRASTRUCTURE

We believe that if children are given an amiable and pleasant environment and necessary tools to succeed they will succeed beyond their wildest dreams. Realizing this, the state-of-the-art infrastructure has been set up including well equipped labs, e-library, resource rooms, AV Halls, cafeteria and gymnasium.

FIELD TRIPS/VISITS

We strongly believe in providing a joyful learning to our students. For this, various field trips to different places of academic and historic value were arranged to enhance the knowledge of the learners. Some of them include the visit to Vidhan Sabha, Nahargarh Geological Park and Jaipur Literature Festival.

JOYOUS MOMENTS

In our pursuit of balancing academics with entertaining and enriching fun-filled tours, we organised the picnic trip to Appu Ghar for our blooming buds. Plunging into fun, frolic and excitement, they enjoyed the picnic.

Many milestones have been achieved by the school with the blessings and whole-hearted cooperation and guidance of the management and our well-wishers, still many more are yet to be achieved.

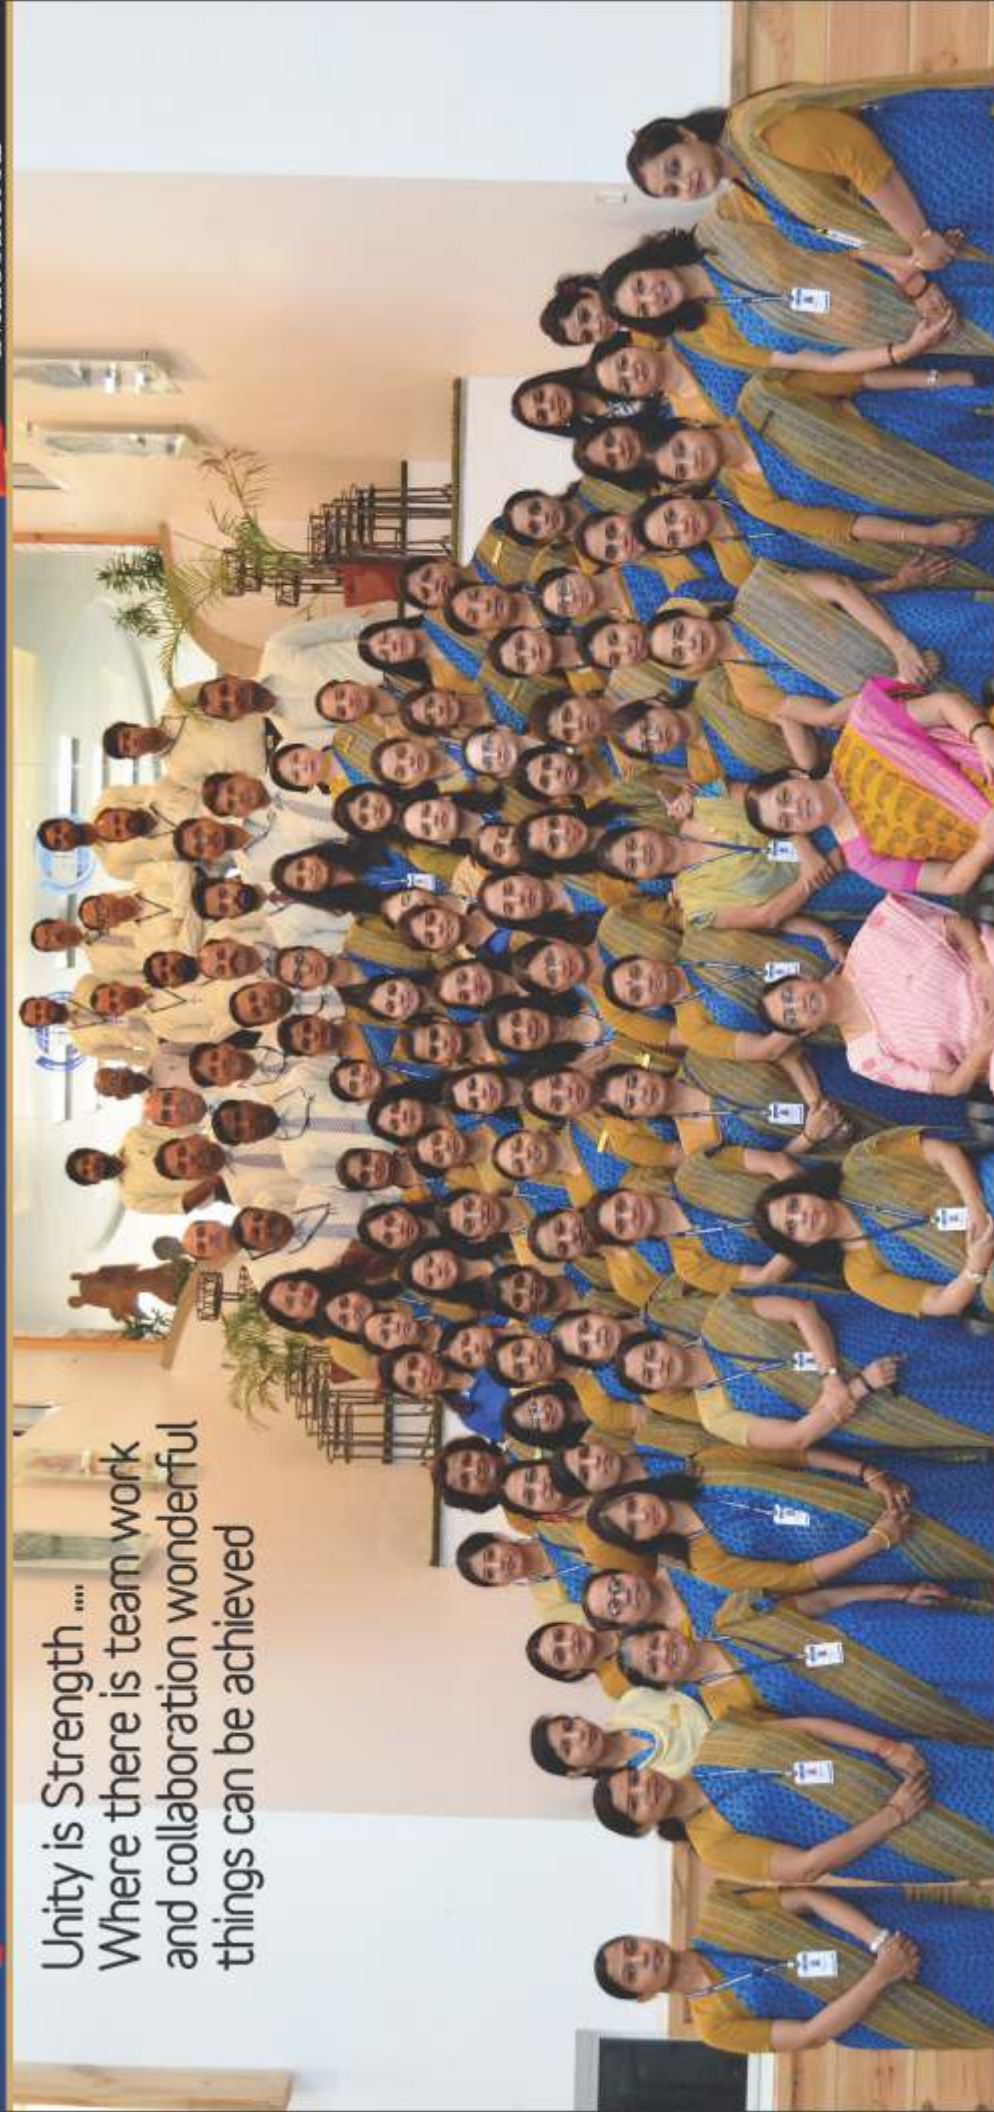

The possessors of multiple skills our students won the first prize in the Colour Party Competition, March Past, Essay Writing Competition, Fancy Dress Competition and second prize in Bhashan Pratiyogita held at Ram Niwas Garden organised under the flagship of Scout and Guide Competition.

School's budding artists won three Trophies and ten Gold Medals in Rangotsav Drawing Competitions.

The jewel of school Hemant Sharma brought great glory to school by being victorious not only at the school level and the regional level but also at the National Level Faber Castel Calendar Designing Competition. It is a matter of great pride for us to state that his painting was the best out of eight lacs paintings.

The melodious rhythm and beats of our Band performers left the huge gathering spellbound who were declared the best performers and bagged the first prize for their stunning performance on the Republic Day.

WINNING MEANS
YOU'RE WILLING TO
GO LONGER, WORK HARDER
AND GIVE
MORE THAN ANYONE ELSE

Laurels

to the Alma mater

If you believe in yourself and have dedication and pride - and never quit, you'll be a winner. The price of victory is high but so are the rewards.

Hard work is key to success and Ms. Neetu Srivastava found this key from her acquired knowledge, hard work and perseverance while undergoing her M.Lib course. She was felicitated in convocation ceremony of Rajasthan University. She was graced by gold medal adorned by Honorable Education Minister Smt Kiran Maheshwari.

A school is built with every stone of accomplishment, every brick of diligence and shine of felicitations that its students bring in. Pacing one step ahead to the grandeur, MPS International has added one more milestone of eminence. All India Calendar Art Competition 2017 was organised by Faber Castell. MPS International takes pride and privilege to announce that the Artwork of one of the students, Hemant Sharma of class 10; has been selected among 12 National Level Winning Artworks which will be featured for each month in the exclusive Faber Castell 2018 calendar. He has been awarded with a Gold Medal, certificate, a Kindle device and a bag of Faber Castell goodies. Hon. Secretary, Mr. Radha Mohan Maheshwari (Kacholia), Principal Ms. Archana Singh and the staff and students of mps International applauded his efforts and enshrined him for a graceful future.

MPS International school conducted its formal **Investiture Ceremony** for its junior and senior student council on 11th May 2017. To inculcate the leadership qualities in students and to give them a feel of leaders and a sense of responsibility the new "Prefectorial Body" was formed. The badges were pinned to the newly elected office bearers. The student council under the leadership of senior Head Boy Yash Sharma with senior Head Girl Akshima also head boy from junior wing Vidush Jain and head girl paridhi took the oath to abide by the school rules and hold the school motto of Loyalty, Truth and Honour in high esteem. The Vice Principal, Mrs. Saroj Joshi congratulated the office bearers with a hope that the office bearers will work for the good of the institution and deliver their responsibilities to the best of their abilities.

A leader is one who knows the way, goes the way, and shows the way.

Orientation Programme

Orientation is where you begin to cruise along, learn about social and academic resources or programs, apprehend academic advice, adjoin new people, get your queries solved and perceive the system to its ace.

The same ecstasy was seen during the orientation program for the parents of class 1 students. The worthy principal Ms. Archana Singh and the Primary Incharge acquainted the parents to the MPS International family. The parents were filled with ambiguities and queries and very enduringly and convincingly got them resolved. The parents met the educators and support staff, understood the rules and duties, the conspicuous of bonding between a teacher and parent for healthy bringing of a child etc.

The parents were contented and blithe to join into a new family where sky will be the limit for their children.

ENTREÉ OF CHERISHED NOVICE

On their first encounter with mps International, the newbies of class I were extended a pertinent welcome and benedictions by worthy Principal Ms. Archana Singh and Primary Incharge Ms. Monika Bengani along with their amatory teachers.

The kids were manifested with ardor and sweets which came with a complementary clamour. They were acquainted with the school and the norms for being an ideal student.

The kids were ameliorated regarding their behaviour, accord and poise as a disciple of mps International and were happy to be a part of their family.

3rd October 2017, Tuesday; instigated the accomplishment of one more fruitful year for MPS International as the school stepped ahead for a new year with better promises and pinnacular augmentations.

The school celebrated its Foundation Day with the flair of spirituality, pious chantings, counselling sessions and lots of motivation. A special session was organised for the students of classes 9 to 11 on the importance of Shrimad Bhagwad. The reverend guest for the session was Shri Anant Sesa Das Ji Prabhu, Vice President Akshay Patra Foundation. He not only enlightened students with the motto and perspective of chanting and meditation but also about pristine importance of Bhagwad Gita.

A similar session was organised for the students of classes 6-8, where the school counsellor Ms. Bhawna Uba guided students about the essential aspects of students' life. Students were guided about the school decorum, etiquettes and responsibilities. The tiny toddlers of class 1-5 were shown motivational movies and visuals to guide them through the nitty gritty of life.

The Principal, Ms. Archana Singh said that such sessions are peremptory for the budding vernal who are surrounded with various reflective auras. She extended her gratitude towards the special guest for guiding the youths towards a serene lifestyle.

Grandparents' Day was celebrated in the honour of our elders. The grandparents of the students of class 1 and 2 were invited in this programme. Paternal and maternal grandparents are the best companions and friends of children. This sentiment was presented by the students through the medium of songs, skit etc.

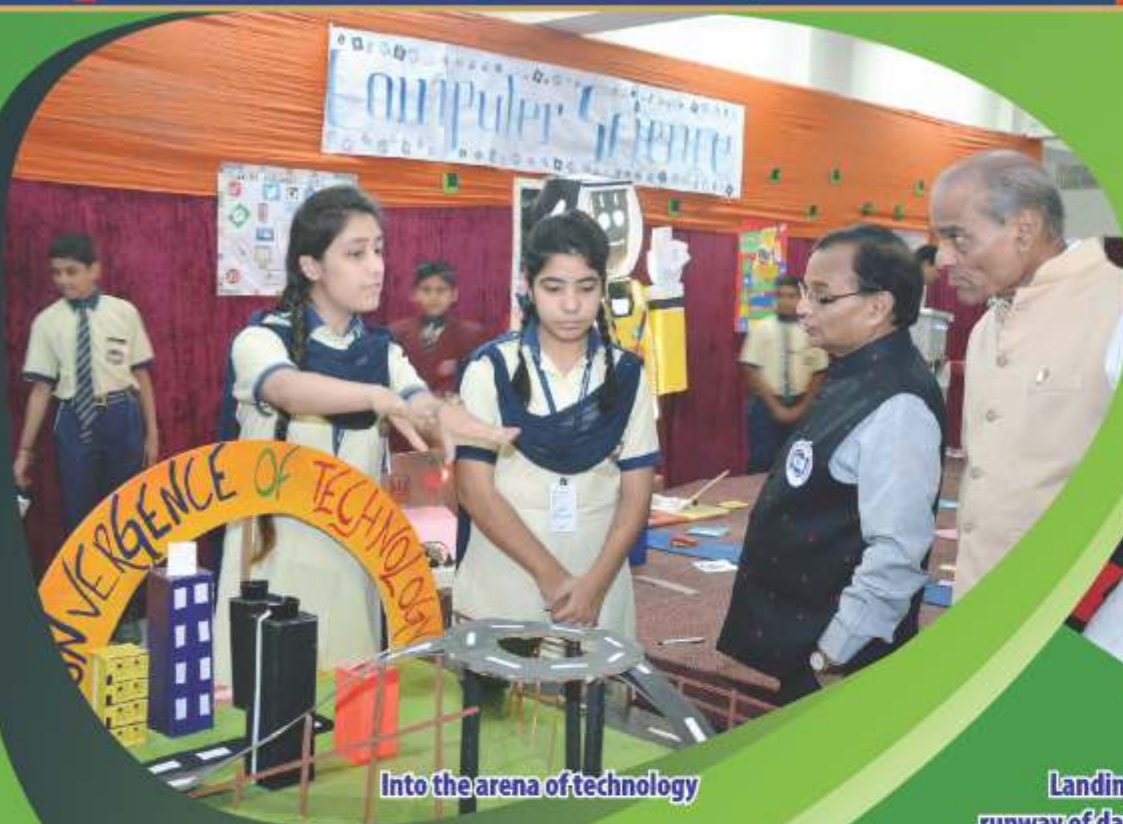

Heart touching dance drama was presented by the students which depicted the importance of elderly in home. This heart touching dance drama brought tears in the eyes of all the people present in the auditorium. Many interesting games were organised for the guest of the day, the Grandparents, in which they participated with great fun and enthusiasm. Mr. Sushil Kumar and Mr. Surendra Kumar were given the award of "Smart Grandfather" and Mrs. Sarla Devi won the award of "Smart Grandmother".

The grandparents also presented and expressed their sentiments through words and gestures. One of them presented a melodious hymn. The benedictions of the worthy grandparents flowed out when one of them shared the changing scenario and quoted that there has been a drastic but positive change in the mentality of the young generation as they are giving more respect and time to their grandparents.

The Principal, Mrs. Archana Singh, gave the vote of thanks to all the guests while acknowledging the suggestions of the grandparents to be beneficial for the development of the quality education and extended her wishes for the upcoming year.

The Annual Exhibition was enthusiastically organized on 18th November 2017 which focused on inculcating a scientific and creative attitude in our budding vernal. The exhibition was a grand corridor of innovation, design and explicit knowledge. The exhibition was divided into various sections according to subjects. The worthy members of the ECMS and the School Management Committee along with erudite highbrows of the Samaj were the Guest to grace and bless the event. Students from the sister concerns and different reputed schools of Jaipur participated with great gist and vigor.

The working and non working models in multifarious subjects and topics were highly appreciated by the guests and visitors. The main focus of the mathematics exhibition was the practical application of mathematics. Students explored and explained the need and application of various technical invasions and historic events. The visitors were also exposed to the utility of trigonometry in Seismology and tides. Senior students exhibited projects related to commerce, where the project on GST was highly appreciated.

There were attractive and innovative displays in the category of different languages like English, Hindi, Sanskrit and French. The primary students beautifully displayed the fairy tales and Christmas stories where as the senior students presented a historical play.

The event and efforts were highly praised, applauded and felicitated by the worthy guests of The ECMS.

Appeal

of an unborn Child Girl

I am an angel in disguise with dimpled cheeks
Don't you want me? In your baby
I've come to you as a gift of God,
Heed, my call mother, I'm your baby.
Mother, let me live, don't take away life.
It is a crime not to allow me from being born.
I want to be yours, and live my life.
Mother! You will surely be pleased
As you hold me in your shield
Like a flower in your care.
Please accept, don't cut short,
Oh mother! Let me live, I'm your baby.
To Get it, you must give it
The happiness rule....

The Pursuit of Happiness

Once a group of 500 people was attending a seminar. Suddenly the speaker stopped and decided to do a group activity. He started giving each person a balloon. Each one was then asked to write their name on it, using a working pen. Then all the balloons were collected and put in another room. The People were let into that room and asked to find the balloon which had their name written on it within 5 minutes. Everyone was frantically searching for their name, colliding with each other, pushing around others and there was utter chaos. At the end of 5 minutes no one could find their own balloon. Then, the speakers asked each person to randomly collect a balloon and give it to the person whose name was written on it. Within minutes everyone had their own balloon. The speaker then began. "This is happening in our lives. Everyone is frantically looking for happiness all around, not knowing where it is. Our happiness lies in the happiness of other people. Give them their happiness, you will get you own happiness. And this is the purpose of human life, the pursuit of happiness.

Friends help each other,
When the time is bad,
They'll stay by your side,
When you feel sad,
They'll be with you,
Till the end of the Earth,
And we've been friends since birth,
And they'll stick with you,
Just like a tattoo,
They'll never get mad,
When you change the plans,
We are best friends forever

If I could fly in the air,
Just like a fair with long hair;
If I could see a place,
Just like the wonderful space.

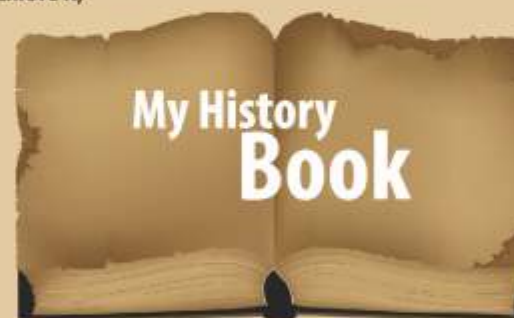

If I could be as fast,
Just like the aeroplane vast;
If I could be as clever,
That people forget me never.

My life would be so beautiful.....
Sometimes in life, we dream so big,
But we don't know we can't get it all;
You ought to work hard to achieve it,
Or else you will fail or fall.

My History Book

When I open my history book I just don't want to take a look
Oh! It so boring
That I start snoring
Who can remember all those wars?
So I go and sleep for hours
Seeing sweet dreams that I'm Babur.
Or Rana building the victory tower.
Some times I think I am Akbar the great.
Drinking a fruity cake.....
Once Birbal was on his lake
When Mumtaz Mahal gave a clap
On my cheek I felt a slap &
In front of me stood my mother
Was it a dream? Yes it was no other
She ordered me to open my book
THEN I HAD TO GIVE IT A LOOK

Recipe for SUCCESS

Friends, there are no secrets to success. It is the result of preparation & hard work. Our wise elders tell us, "Success is the sum of small efforts, repeated day in and day out. In fact, they give us an easy recipe for success, "Study while others are sleeping! Work while others are playing! Dream while others are wishing. Don't wait. The time will never be just right. Forget past mistakes. Forget failures. Forget everything except what you are going to do now and do it. Strength of mind is exercise, not rest. There is no end to education. It is not that you read a book, pass an examination and finish with education. The whole of life, from the moment you are born to the moment you are die, is a process of learning.

Smart Phone Cloud

Real communication has been lost,
In the depths of the smartphone cloud.
True feelings are seldom seen,
Now thoughts are shown through emojis, no doubt.

Conversations are much more,
Than the words typed out on a screen.
Today's generation is lost in marsh of phones,
They just wanna open the screen and a couch to lean.

There are buzzing pockets all around,
A reminder that it's always there.
The reminder more genuine than human, what so people feel,
But nobody even care.

It's high time when we should avoid this stupid bar,
To save our valuable time.
Just crush it through miles away.
But addicts will think it a crime.

Friends are divine
The world seems all fine
When friends are with you
No matter more or few
It makes no demand
It does not complain
A true friendship needs;
Just a promise to be together
In every situation Good or bad
Without any reason
Forever & ever.
The first relation we make in school
A true friendship is so cool
Those stupid fights
Of friends day and night
That is what a friendship combines
Friendship is not just a word
Not merely a relationship
It's a silent promise
Which says
I will be with you
Whatever
Whenever
Wherever
Forever

HOPE

Hope is a thing with feathers
That perches in the soul
And sings the tune without the words
And never stops at all,
And sweetest in the gale is heard
And sore must be the storm
That could abash the little word
That kept so many warm
I've heard in the chilliest land,
And on the strangest sea
Yet, never, in extremity,
It asked a crumb of me,

Hope of Life

When there is no one to wipe your tears.
When there is no one to lessen your fears.
When life seems to creep.
When life becomes a battle
And asks you to struggle
When everyone is busy, there is no one for you

When brain and mind seem depressed
When heart breaks forever
When dusk bring darkness
When life is full of sadness
When everyone hope seems to disappear
When for you, no one cares
When you need to share your thoughts
When happiness become past

When Discouragement becomes present
And future seems colourless
When no one gives loving hand
Close your eyes. The way of hope will
Give life a new start, Never give up.
Because it is never too late to
Start again.....

Life Without Internet

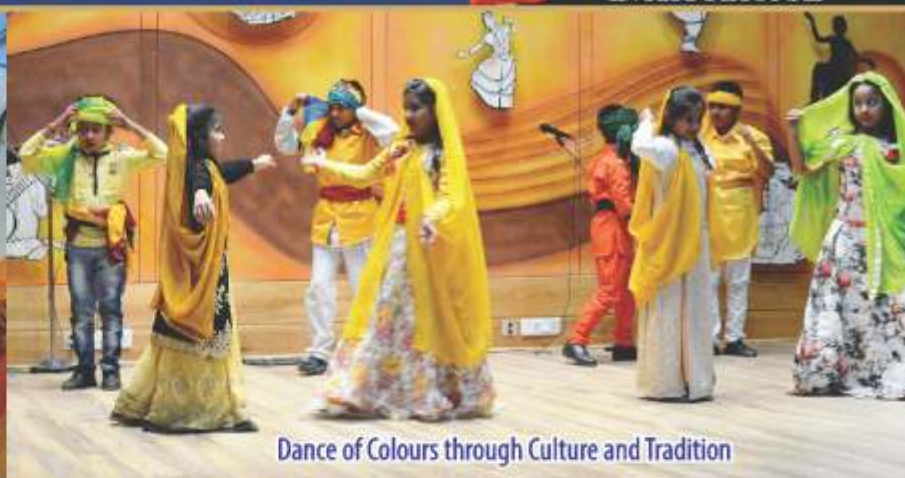

Internet has become one of the best inventions in the modern world. It is even difficult to imagine how life would be in the absence of internet. A lot of things have been made possible due to the fact that internet makes it easy for people to communicate. Internet is viewed to be the current trend that everyone should fit in all ways. It also makes our work easier, faster, accurate and also solve our problems. In the absence of internet, then it would be difficult for companies and people to achieve their goals. Internet is widely spread in the world as technology. A large population of the world use internet. Internet has made the world a smaller place because instead of meeting people we can easily communicate with our friends at a very low cost through internet. The key to success of internet is information. It can be used to collect information from the entire world. Internet is very useful for everyone. Internet is the excellent way of technology.

Road Safety Day

Road safety is the most common and important topic and has been added to various fields like education, social awareness, etc in to order to bring more awareness in the public especially new age group people. Students should be well recognized with this as they include the largest mass on road. To develop a better knowledge and better awareness for road rules and safety a workshop was conducted at mps International by Sub-Inspector Ms. Indra Ahlawat and Ms. Tara Singh. The session was very interactive and fruitful. Students were guided about traffic signals, traffic lights, do's and don'ts of road manners, importance of traffic rules and many more. The students were very enthusiastic and pledged to be safer on roads. The very erudite Principal Ms. Archana Singh extended heart filled gratitude to Traffic Police for such an essential session and blessed students a safer and regulated road drives.

प्यारे बच्चों!

विजय लक्ष्मी जांगिड

आज आपको उपदेश नहीं बल्कि छोटी-सी कहानी सुनाऊँगी। एक बार एक बालक था। वह बहुत आलसी व लापरवाह था जो हमेशा टी.वी. देखते रहता था, शैतानी करता था, पढ़ाई नहीं करता, बुरा भला कहना ऐसी बुरी आदतें थी। ऐसी बहुत-सी बुरी आदतों के कारण उसे विद्यालय में भी कई बार दण्ड मिलता था। कोई उससे बात करना व दोस्ती करना भी पसंद नहीं करता था। एक बार वह यूँ ही सड़क पर घूम रहा था, उसने एक छोटे से बालक को खेलते देखा और उसके पास जाकर उसे परेशान करने लगा। उसके खेलते देखे दिए। उस बालक ने रोते हुए कहा कि शुक करो तुम्हें मेरी जैसी जिंदगी नहीं मिली। मैं पढ़ना चाहता हूँ, तुम्हारी तरह अच्छे कपड़े पहनना व चॉकलेट पिन्ना खाना चाहता हूँ, खेलौनों से खेलना चाहता हूँ पर पता है क्यों नहीं कर पाता सिर्फ इसलिए की मेरी माता पिता नहीं है। मैं अनाथ हूँ। मुझे खुद को जिंदा रखने के लिए सारे काम करने पड़ते हैं। काश, मेरे भी माता-पिता होते, मैं एक अच्छी जिंदगी जीता और बड़ा आदमी बनता।

फिर उसने अपने खेलौने समेटे और चला गया ये कहते हुए कि “मेरे दोस्त तुम जरूर बड़े आदमी बनना।”

वह बालक सोचने लगा कि क्या मैं इस तरह बड़ा आदमी बन पाऊँगा और उस बालक ने खुद को पूरी तरह से बदलने की ठान ली।

तो प्यारे बच्चों, आप समझ गए होंगे कि आप बहुत भाग्यशाली हैं कि आपके माता-पिता आपके साथ हैं, अच्छे स्कूल में पढ़ते हैं, तो अपने जीवन को इनवेस्ट करिए वेस्ट नहीं ताकि आपका आने वाला कल बहुत अच्छा हो।

समय चुकि पुनि का पछताने

काल करे सो आज कर, आज करे सो अब!
पल में परलय होयगी, बहुरि करेगा कब ?

मित्र के बिना जीवन अधूरा होता है। मित्र जीवन के रोगों की औषधि होती है इसलिए मित्रता का बहुत महत्त्व है। हर प्राणी घर व बाहर मित्र की तलाश करता है।

मित्र जीवन का वह साथी है जो हर बुराई से हमें बचाता है। हमें भलाई की ओर बढ़ाने के साधन जुटाता है। पतन से बचाकर उत्थान के पथ पर लाता है, वह मित्र है। धर्म ग्रंथों में ऐसे ही मित्रों के गुण गाये गये हैं। अर्जुन-कृष्ण की मित्रता श्री कृष्ण-सुदामा की मित्रता और श्रीराम सुग्रीव की मित्रता एक पावन सम्बन्ध की सूचक है। कई बार छली, कपटी आदमी मित्रता की आड़ में अपना मतलब निकालते हैं। ऐसे लोगों से बचना चाहिए। मित्रता के सच्चे भाव को समझना चाहिए। सच्चा मित्र हर सुख दुःख में साथ देता है। स्वार्थी मित्र संकट के समय साथ छोड़ देते हैं। अतः मित्रता करने में सावधानी बरतनी चाहिए। अच्छे मित्र अगर रूठ जाए तो उन्हें तुरन्त मना लेना चाहिए।

जीवन में समय का बड़ा मूल्य है। संसार की सब ताकतो से सब प्रकार की धन-सम्पत्ति से समय का मूल्य ज्यादा है। खोई ताकत पुनः प्राप्त की जा सकती है। धन सम्पत्ति प्रयत्न करने पर एकत्र की जा सकती है, किन्तु बीता समय पुनः लौटकर नहीं आता। समय का मूल्य प्राणी के बढ़कर है। जीवन की एक इवांस जितनी कीमती है, समय का छोटे से छोटा पल उतना ही बहुमूल्य है।

जैसे प्राण निकल जाने पर संसार का सारा वैभव सुन्दर शरीर सब बेकार हो जाता है, ऐसे ही समय बीत जाने पर किया हुआ कार्य निरर्थक होता है। जो व्यक्ति समय का निरादर करता है समय उसे तहस-नहस कर देता है। उदाहरणार्थ विद्यार्थी जीवन विद्या प्राप्त करने का समय है। इस समय मन लगाकर पढ़ना प्रत्येक विद्यार्थी का कर्तव्य है। संत तुलसीदास ने इसी भाव को निम्न पंक्तियों द्वारा व्यक्त किया है। “का वर्षा जब कृषि सुखाने समय चूकि पुनि का पछताने”

कुछ अच्छी बातें जो दिल को छू जाए.....

- गीता में लिखा है कि अगर कोई इंसान बहुत हँसता है तो अंदर से वो बहुत अकेला है। अगर कोई बहुत सोता है तो अंदर से वो बहुत उदास है।
- रास्ते में अगर मंदिर देखो तो प्रार्थना नहीं करो तो चलेगा पर रास्ते में एंबुलेंस मिले तो प्रार्थना जरूर करना शायद कोई जिंदगी बच जाए।
- खूबसूरत लोग हमेशा अच्छे नहीं होते मगर अच्छे लोग हमेशा खूबसूरत होते हैं।
- दुनिया में कोई भी काम असंभव नहीं बस हींसला और मेहनत की जरूरत है। इंसान अपनी मीठी जुबान से ही जाना जाता है वरना अच्छी बातें तो दीवारों पर भी लिखी होती हैं।

अपनों की कद्र

एक बार मेरे दादाजी ने मुझसे कहाँ जाओ, फूलों के बाग में जो सबसे खूबसूरत फूल हो, वो ले आओ। मैं उसी समय फूल लेने फूलों के बगीचे में गया और फूल देखने लगा। फूलों के बगीचे में एक फूल मुझे बहुत खूबसूरत लगा पर मैंने सोचा कि मुझे और भी बेहतर फूल मिल सकता है इसलिए मैं और भी खूबसूरत फूल की तलाश में आगे चला गया बहुत बगीचों में जाने के बाद भी मुझे कोई फूल प्यारा न लगा। जब शाम को लौटकर पहले वाले बगीचे के खूबसूरत फूल के पास आया तो उसे और कोई तोड़कर ले जा चुका था। जब घर आकर मैंने यह बात दादाजी को बताई तब दादा जी ने कहा- "जो सामने होता है तब उसकी कद्र नहीं होती और जब वापस लौटो तो वो भी नहीं मिलता जो हमारे पास था।" शिक्षा - जो हमारे पास है उसकी कद्र करनी चाहिए।

Nation's Duties

Mps International has always been on forefront when it comes to student grooming, patriotism, voluntary services etc. Adding gems to the crown of pride of MPS International, the very amusing and interactive 'Scout team' brought laurels to the school by bagging 4 prizes for securing the first position and 3 prizes for securing second position in numerous activities like 'Vichitra Vesh Bhusha', 'Saamuhik Gaayan', 'First-aid', parade and many more. Organised in a five-day campaign called 'Jaipur Zilla Scout Guide', the scouts unveiled their charismatic skills and hardwork at the camp even being scarce with the vital resources under the adept guidance of Mr. Kansingh.

Remedial Classes

Many students require the extra help remedial classes can provide. One of the choicest facilities Mps International provides to its students are the 'Remedial Classes' to beforehand their examination with rigorous guidance and ultra simplified understanding through eminent teachers.

For examinations in the session 2017-18, subjects like science, mathematics and social science were enunciated where all the possible doubts were cleared and the students were made to solve a myriad of questions.

Teachers prominently solved queries by the students aloof of any rest and all devout serenity. In a nick of a time, students were all well-armed with the bazookas of knowledge and the syllabus content for their exams.

The hardwork and perseverance by the teachers and students and the prized facility of 'Remedial Classes' bore a sweet fruit for all the students as they will come-out with flying colours.

"Better than a thousand days of diligent study is one day with great teachers."

Charisma was spread all over the campus when Teacher's Day knocked the gates of MPS International on 5th September 2017.

With utter enthusiasm cum laude, teachers of MPS International along with the Principal, Vice-Principal and the gregarious students of class IX, X and XI were mustered by the 'squad-X' for a bonanza treat to the teachers.

The 'Squad' manifested a jocular and extremely good-humored play with a mix of spicy dialogues and crunchy dance. It concluded with a banner hurled depicting a sugar-sweet message: 'HAPPY TEACHER'S DAY'.

Echoes of applause and cheers of auspicy spread all over.

The next moment, with a sense of reverence, all teachers were called upon for a gala time and to spread a leg with the game 'Musical Chairs' to accompany.

In addition to, a delicious cake had also been cut by the teachers on this very magnanimous event.

Gags and fits of laughter burst out on seeing the teachers enjoy like children and luxuriate in the melody of music of the game.

The day bade a good-bye with scintillating and jiggling jokes and speeches by the students to their teachers, the Principal and the Vice-Principal.

14th November, 2017 was a great day in the annals of MPS International. The school decided to make this Children's day special not only for our own kids but for those who are needy and bereft of leisure of life. The school's Interact Club, under guidance of Ms Sunita Vyas, gathered old woolens, bed sheets, packed food material, stationery items etc for the children of slum area. By sharing their used things they made the day more memorable for other children.

Students of Interact Club also participated in the interschool competition organized by Rotary Club at Mahaveer Public School. Hemant Sharma of class X got 1st prize in poster making competition.

There were various activities organized for the student in school. Class 1 to 5 had a special assembly showing importance of Children Day. There were various fun races for the kids too. For classes 6-8 there were fun filled activities like Talent Hunt, Treasure Hunt, Skit and Song Presented by the Teachers. Teacher's reflected on the life and behavioral changes of students from primary to secondary. For classes 9-11 there were Inter house Competitions like Kabbadi, Master Chef etc.

Worthy Principal Ms. Archana Singh extended her benediction to the students and asked them to promise sincerity, diligence, honesty, and effort to succeed.

Les femmes au pouvoir

De nos jours les femmes ne sont plus limitées au foyer sortent de la maison pour travailler avec les hommes. Auparavant les femmes restent à la maison pour faire des tâches ménagères et s'occupent des enfants. En fait, elles sont mieux adaptées au fonctionnement en réseau. Tout d'abord, elles cherchent davantage le consensus que les hommes. Rares sont les femmes qui trouvent le plaisir l'autoritarisme. Ensuite, elles jonglent bien la vie familiale et la vie professionnelle. Ainsi, elles ont développé de solides capacités d'organisation. Par exemple ma mère est Manager dans une banque. Au dépit de ses journées très chargées, elle sait bien fixer des objectifs et des limites, à encourager et à critiquer dans sa rôle d'une mère et d'une éducatrice.

Par ailleurs, il y a de divers points de vue en ce qui concerne le pouvoir et la femme. Certains pensent qu'elles sont encore inhibées face au pouvoir. Par exemple, dans les affaires comme la politique, les femmes ne montrent de plus grandes qualités que les hommes.

En guise de conclusion, je voudrais revenir sur l'opinion que je viens de parler que les femmes ont développé autant de caractéristiques au fil des siècles pour s'adapter et pour survivre dans la société encore dominée par les hommes.

Une visite au parc d'attractions

Au parc d'attractions, lundi dernier Entrés dans le parc, achetant les billets. Manuel, Caroline, moi et Valérie, Nous sommes entrés dans la galerie. Des miroirs déformants, il y avait partout Tous les nous avons rigolé comme des fous. Puis nous avons fait, un tour sur la grande roue J'étais effrayé que rien ne s'arrête. J'ai remercié à Dieu, quand la roue s'est arrêtée. Puis dans auto tamponneuse, nous sommes montés, À 4 heures du soir, nous avons faim. Nous avons mangé, des gâteaux et du pain. Après la visite, je suis rentré chez moi Je vais visiter ce parc, encore une fois.

Ma mère est un ange qui est très gentille. Elle est toujours occupée avec les tâches ménagères. Elle est la personne la plus dévouée et aimante. Elle mérite tout le respect, la gratitude et les éloges pour son travail acharné et son sacrifice. Ma mère est une femme au foyer et elle aime aussi le jardinage. Elle a beaucoup d'amis, y compris moi. Elle est toujours heureuse et elle aime faire des blagues. Je ne peux pas décrire la beauté intérieure de ma mère et de son âme noble mais je l'aime beaucoup. Je pense qu'elle est la meilleure maman du monde.

INITIATION OF A NEW SAGA

Independence Day was celebrated with great patriotism and fervour by the educational institutes of The Education Committee of The Maheshwari Samaj. The event was graced with the presence of worthy Chief Guest Mr. Jyoti Maheshwari (Samrakshak, Maheshwari Samaj) and adept Guest of Honour Mr. Roopnarayan Kabra. The honour and pride of our nation, our national flag was hoisted by our adroit guests. Enthusiastic and talented students presented their love for nation through various dance dramas and dances.

On the auspicious occasion of Independence Day mps International proudly witnessed the inauguration ceremony of their spacious and mesmerising auditorium '**Sandipani**' and a healthy food court '**Aaharika**'. The inauguration was done by the gracious presence of erudite Mr. Vitthal Chaudhary and his wife Mrs. Premlata Chaudhary. It was the time of pride and gratification for the entire mps International family.

Students also presented heart throbbing presentation of 'Shri Krishna Leela' and 'Maharaas'. The occasion was dignified by the laureates of ECMS Mr. Satyanarayan Kabra (Chairman), Mr. Madhusudan Biyani (Gen. Secretary) and other worthy members of the Management Committee.

MINDFULNESS (Technique of being Present in the Moment)

When a person starts learning any kind of meditation, the first challenge s/he faces is - HOW TO CONTROL THE TRAIL OF THOUGHTS RUNNING UP THERE IN THE MIND?

If you carefully examine your thoughts which come during meditation - they are mostly 'past' or 'future' focused. And when the trainer asks us to focus on our breathing, it still takes lot of practice before we understand its not about 'filling' in the air completely and emptying the lungs out but its about 'feeling' that the air is coming in and going out. So, even if we are in present we sometimes drift away from the task in hand.

Well, mindful meditation comes to rescue us from that quest of controlling the thoughts because it is a technique to rather 'live' the present moment and 'leave' other thoughts aside and the best thing is that it doesn't need any deliberate efforts. With consistent utilisation of our ability to be fully present, aware of where we are and what we're doing, and not getting overly reactive or overwhelmed by what's going on around us, we can master the technique.

Mindful meditation can be done anywhere and whenever you like to do it. Benefits of this meditation include: improved concentration, the ability to focus, academic performance, positive emotions, and ability of acceptance, kindness and compassion. It can help deal with depression and stress. Researchers have found that mindfulness increases the gray matter in our brains.

Mindfulness is an exercise that can change our brain, the way physical workout changes our body:

- It strengthens the connections between the amygdala and the prefrontal cortex. The former is the key player in anxiety and latter, the part of the brain that can calm big emotions. The stronger the connections, the more the pre-frontal cortex is able to take in during anxiety and calm things down.
- Anxiety is driven by a brain that has been cast into the future. Thoughts start out as 'what ifs' and turn into persuasive little beasts that won't let go. It teaches the brain to stay in the present.

You can use the following exercises to quickly ground yourself in the present moment:

- Look around and notice 5 things you hadn't noticed before such as a pattern on a wall, light reflecting from a surface etc.
- Try to feel the things around. Feel the pressure of your feet on the floor, your pen in your hand, shirt resting on your shoulders, or the temperature on your skin.
- Notice the background sounds such as friction of chalk on the board, turning of pages by your teacher, birds chirruping, or cars on a distant street.
- Try to smell the things around such as freshly cut grass, the wet soil after rain, flowers or an overflowing trash.
- Pop a piece of chocolate in your mouth, sip a drink, eat a snack, or simply notice how your mouth tastes.

So, unleash the natural curiosity of your mind, pay attention to where you are what's going on around and to start with- Become aware of your body. You can be creative in using your senses and try this exercise while doing an activity like having food, gardening, listening to music, or going for a walk.

Des Sir! May I Help You

Although the practice of child labour is prosecuted in India through various laws and acts but the heart beats rapidly to witness such realistic scenes where kids are enforced to engage in hazardous activities. Indigenously, the kids are earning by providing services for selling liquor outside the liquor shops. Explicitly, these kids are motivated by the shopkeepers and implicitly, encouraged by the people who avail their services by paying them some money.

Having an air of easy unconcern, without stressing their minds, these people, some of which are parents, show difference in the attitude of their own kids and these kids who are suffering from indigence and strolling on the roads.

Why are they deprived of their childhood? Why can't we foresee this - that after all not only our own polished children but these tramp kids will also comprise future INDIA.

There will be no dignified INDIA in which our kids are going to live afterwards if the same practice continue. THINK!! Some things are just wrong. . . .

'The pain you feel today will be the strength you feel tomorrow.'

Are you among the lot with an inborn passion for sports? If your answer is in the affirmative, then sports as a hot career does offer a plethora of opportunity for you. Down the ages, the popular mindset has been that sports are good for the mind and body but it cannot help you earn your daily bread. Of late, this mindset has given way to acceptance of various sports related activities so viable career options other than actually being an active sportsman/player, the other vocations in the field like sports management, sports, fitness and health clinics and the like, have come to be regarded as full fledged and highly paid career options.

The importance of sports and games in school encompasses more than just the benefit of physical activity. Increase in self esteem and mental alertness make, school sports and games necessary for every school age child.

It is imperative for school age children to have access to sports and games. Not only does it empower youth and promotes students but also enable them to earn better grades where obtaining center grades is a pre requisite for staying in the team.

School needs to provide both a supervised and unsupervised sports environment. It serves as the best ice-breaker for newer students and helps in faster assimilation.

Therefore considering all these merits, the schools should strive in providing proper facilities and time to help their students pursue sports.

"Always end the day with POSITIVE THOUGHT, no matter how hard things were.

Tomorrow is a fresh opportunity

to make it better."

I strongly feel that if your attitude is to see the brighter part of the picture first, you will never defeat. The **positivity** in your heart works every time and it attracts the things which you wish for.

I believe in 'Law of attraction', that responds to your thoughts. It doesn't see good thoughts or bad thoughts. It is receiving your thoughts and reflecting back to you those thoughts as your life experience. This Law of Attraction simply gives you whatever you are thinking about.

Amazing discoveries in Quantum Physics revealed the unfathomable power of the human mind to create. So there is a way to master your mind- think positive. And **thoughts become things**. It will help you to create future ready life.

Believe that the universe is a mirror and it is mirroring back to you your dominant thoughts.

Your **thoughts are your visualization** to create pictures in your mind of seeing yourself with what it is you want.

When you visualize then you materialize. As the inventors do, they focus on the end result and work consistently until their visualization is a proved fact.

At the end of the day before you go to sleep, go back through the events of the day. Any events that were not as what you wanted and take you away from your goal, replay them in your mind the way you wanted them to go.

Next morning energize yourself to everything you want. Let your thoughts challenge your body, work persistently with positive attitude. **And remember your power is in your thoughts.**

AUDITORIUM

"Sandipani" is definitely a pride colossal structure of MPS International. It is perhaps the most visited place of the school, while those in the community may or may not see a typical classroom in a school they have more than likely visited the Auditorium for school performance. Situated on the basement floor, the auditorium is equipped with the most modern and audio visual facilities and a massive seating capacity of approximately 250. The sound proof auditorium hosts numerous event, including award functions & Inter School Competitions. All the major functions, morning assembly and various competitions are held in this auditorium which gives a variety of exposure to the students in showcasing their talents and grooming their inborn virtues.

LIBRARY

The school library is one place where students would love to visit and sit to improve upon their knowledge base by the way of searching the journals, magazines, periodicals, newspapers or subject related books.

The library is well equipped with more than 3500 books very well stacked in open shelves for different subject teaching, environment, literature, dance, music, art, wild life and many more.

LAB

To ensure an ambience for innovative, creative and contemporary pedagogy, the theory classes are being supplemented with practical knowledge. For this, regular lab sessions are held under the guidance of trained lab instructor. In addition to the mandatory laboratories for Physics, Chemistry & Biology, the school also has separate well-equipped Combined Science Lab, Maths Lab, Geography and English Language Lab.

Keeping in pace with the modern times and realising the importance of Computer Education the school feels that IT skills have become a necessity owing to the increasing use of computers in our daily life. To achieve this, we have made computer education compulsory from the very beginning. Students have internet access through 16 MBPS leased line under the strict supervision of Computer Teacher.

SPORTS

At mps International, sports and games curriculum is an integral and compulsory part of the education process. Sports help to build character and teach the importance of discipline in life. It inculcates a respect for rules and allows the participants to learn the value to self control. The School has sports facilities which are enumerated as below:

- Volleyball • Skating • Cricket • Badminton • Taekwondo
- Chess • Carrom

ART & CRAFT

Art room: A visual feast, this room expresses the beauty and creative spirit of the young Artists. Children dare to dream and learn to put their dreams on paper. It encourages them to visualize and provides them a healthy expression of their feelings and emotions.

Craft room: A professional teacher imparts different skills, using varied materials and mediums, in crafts like making Lamp Shades, Photo Frames and Stained Glass Paintings. Children are taught to express themselves by exploring different mediums and materials. They learn to be eco-friendly while at the same time tap their inner creativity.

CANTEEN

The school has a large, hygienic, well maintained canteen "Aaharika" that serves mouth savoring healthy delicacies. Special care is taken to ensure that no junk food or aerated drinks are served. The food is always fresh and clean, and served in disposable containers. The quality is best and prices are reasonable. A variety of foodstuffs are sold to cater to the taste buds of pupils of different age groups. The food is cooked under strict supervision and tasted by the school heads before serving the students. Regular checks are held to ensure that strict quality control and hygiene standards are met.

Putting hues to dreams

Disney characters stepped on the floor of mps International on July 24, 2017. The occasion was 'Perceptum', the Interschool Fest. The aura was mesmerising and enthralling when 150 students from 21 reputed schools of Jaipur visited the portals of mps International.

The theme, DISNEYLAND, filled the budding saplings with fun, frolic and fervour to swing with colours and cartoons. Multifarious activities were organised like drawing, Spell Bee Competition and dance. The event was adorned by the gracious presence of our worthy guests Mr. Lohang Singh (renowned choreographer), Ms. Nisha Sharma, Ms. Neetu Golecha and Mr. Brijkishor Srivastava. Sawai Bhawani Singh School bagged the first prize in Dance Competition whereas second prize was bagged by Jayshree Periwal School. Spell Bee Competition was won by Cambridge Court School with mps International stepping up next. The erudite Principal Ms. Archana Singh appreciated and felicitated the winners. She said such activities are essential for the healthy development of a child.
