CIRCULAR

Dated :09.09.2025

Dear Parents,

This circular is to inform you a matter of great importance regarding the safety and well-being of our students. We have observed a concerning trend of students bringing money to school in large amounts.

We urge you to be vigilant and ensure your child does not carry huge amount of money. We also request you to check your child's bag daily to monitor what they are bringing to school.

Furthermore, we would like to reiterate our school's policy on birthday celebrations. Please note that celebrating birthdays in the school canteen, cutting cakes, or organizing parties in school premises is strictly not permitted. These activities disrupt the school's academic environment and can pose safety and health concerns.

Additionally, please note that the following items are strictly **not permitted** in the school premises:

- Sharpened objects (e.g., scissors, cutters, etc.)
- Mobile phones, earphones, or any other electronic equipment
- Toys (e.g., wheel cars)
- Playing cards, UNO

These items are a distraction to the academic environment and can pose a safety risk to our students. Your cooperation in these matters is highly appreciated. By working together, we can ensure a safe and conducive learning environment for all our students.

Regards,

(Manju Sharma)
