Circular: Mandatory Safety Protocols for Students Using Two-Wheelers

Dear Parents,

The safety and well-being of our students are our primary concerns. It has been observed that several students are commuting to school using two-wheelers. To ensure a safe travel to school and to comply with traffic regulations, the school administration is implementing the following **mandatory** rules effective immediately:

1. Mandatory Use of Helmets

- Any student arriving at school on a two-wheeler **must wear a helmet**.
- Students found entering the school premises without a helmet will not be allowed.

2. Possession of Driving License

- In accordance with the law, students must carry an **original, valid Driving License** at all times.
- The school security team may conduct daily checks of licenses at the gate.

3. General Safety Guidelines

- Students must maintain a strictly controlled speed within the vicinity of the school.
- Vehicles must be parked in the designated student parking zone in an orderly manner.

Note: *Failure to comply with these safety regulations may lead to further disciplinary action.*

We seek the cooperation of all parents to ensure their wards follow these safety measures to prevent any unfortunate incidents.

Warm regards,

Manju Sharma

Principal
